February 14, 2017

Dear Mr. Ratuski

An inspection of Floating Leaf Fine Foods on January 12, 2017 has confirmed that your company meets the requirements as outlined in *D-15-04: Audit-based Compliance Program for the Export of Canadian Wild Rice to China*.

By way of this letter, I am confirming that Floating Leaf Fine Foods is approved to store and export Canadian wild rice to China.

To maintain this approval, your company will be subject to an annual audit inspection by the CFIA as outlined in the directive D-15-04.

The unique CFIA identification number that has been assigned to your facility is: **CFIA-WRC-08**

Further to your consent during the application process, the CFIA will share with the General Administration of Quality Supervision, Inspection and Quarantine of the People's Republic of China (AQSIQ) the information regarding your business name and address, your approval status under the program, and the unique CFIA identification number that has been assigned to your company. The information shared will be published by AQSIQ on its website.

If you have questions or concerns regarding this compliance program, please do not hesitate to contact me.

Yours truly,

Jason Watts
Regional Program Officer, Plant Protection

CC: National Manager, Grains and Oilseeds Section, CFIA
